To—The Deputy Commissioners, Treasury Department, and Assistant Commissioner, Chitaldroog Sub-Division, Circular No. 1637, dated 31st July 1885.

In order to meet the requirements of the new forms of Imperial Money Orders lately introduced by the Government of India, the Comptroller has the honor to request attention to the following instructions :—

Issues.

In issuing Imperial Money Orders whether from a Taluk or a District Treasury, the procedure laid down in this Office Circular No. 1597, dated 25th September 1884, will be followed. Foreign orders will seldom be required in the Taluks, a few however, should be supplied to those Taluk Treasuries where there are European residents, and, if wanted elsewhere, the Amildar should apply to the District Treasury Officer.

Payments.

After entering the particulars of the Money Order received from the Post Master, Bangalore, (all being Inland forms) in the Register C, the Treasury Officer will endorse the order across the face thus.

"Payable at the————Treasury."

Date *District Treasury Officer.*

He will send the whole order to the payee through the anche. The payee will present it at the Treasury indicated and receive payment after signing the two portions for "Acknowledgment" and "Payee's receipt". The disbursing Treasury Officer will cut off the "Coupon" and give it to the payee. If payment is made at a Taluk Treasury, the Amildar after cutting off the coupon and giving it to the payee, will send the remainder of the form with his C account to the District Treasury Officer. The District Treasury Officer will then cut off the form of "Acknowledgment" and send it to the Post Master, Bangalore, as heretofore. The remainder of the form he will use as a voucher for his Money Order account to this office.
